Join the fold.

We love designer furniture.
We also love things that are simple,
flexible and durable.

Our furniture combines all of these things,
and lets you save up to 97% on space
during transport and storage.

The Flux Chair

Our award-winning Dutch design.

Looks like a giant envelope; turns into a designer chair.

One craftily cut sheet of sustainable polypropylene;
six modern colours to choose from;
zero tools necessary.

The Column and Pillar

No more table skirts.

The Flux Column and Pillar are the first
foldable high table and bar stool
that really hold their own as design pieces.

The Tablet Tower

Present your digital content in style.
The Tablet Tower is a functional modern sculpture
that locks at the back
to keep your tablet safely inside.

The Arc extensions

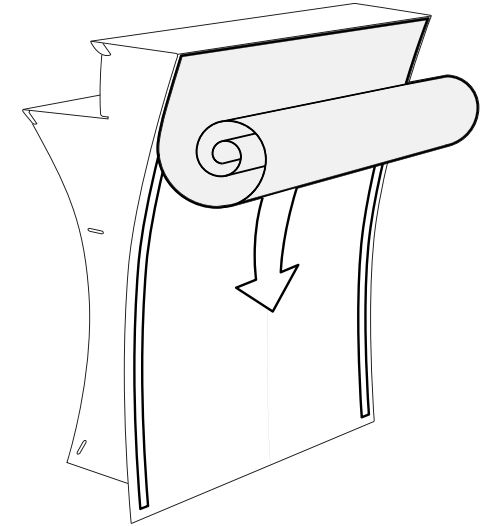

Link 180 makes it possible to link Arcs in a straight line.

Link 90 let's you link Arcs in 90 degree corners.

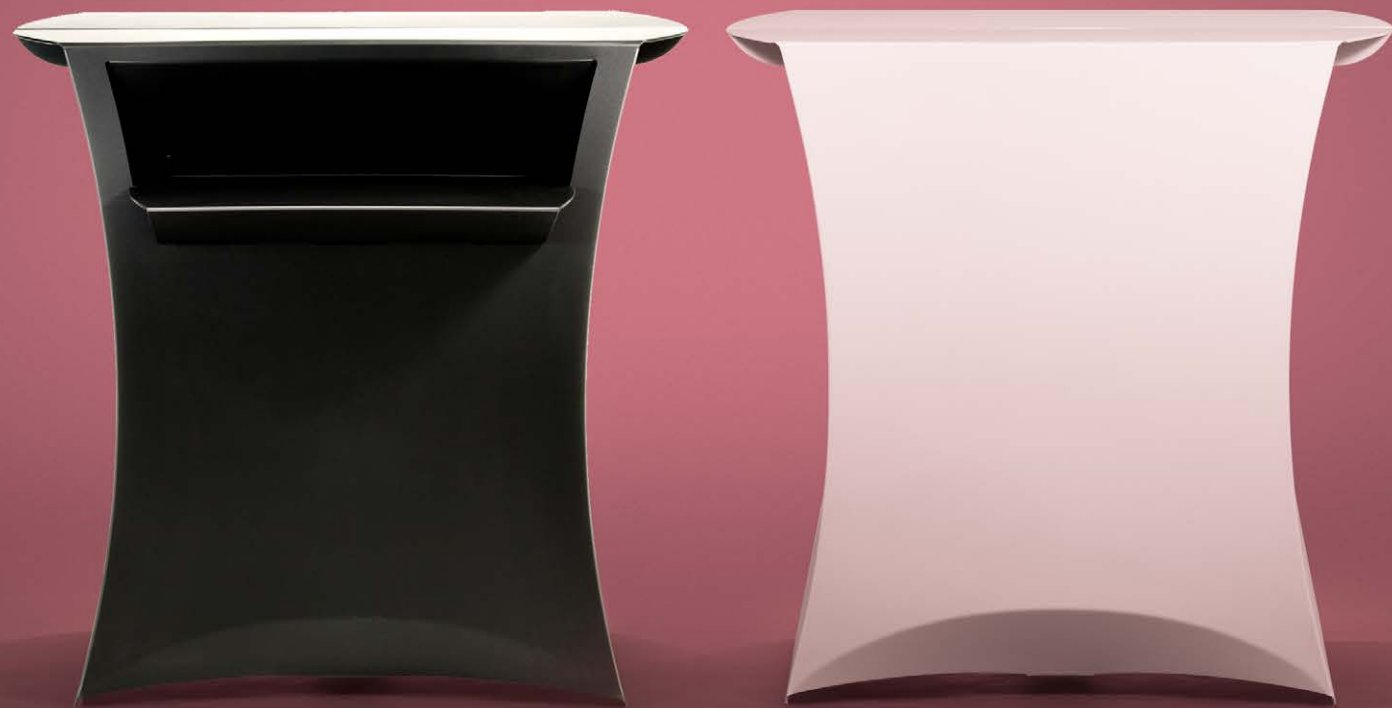

LED for Arc is a bar of LED's that makes it possible to light the curved front panel from the floor up.

Banner for Arc is an exchangeable banner that is attached to the front panel with Velcro.

The Counter

The Flux Counter serves you perfectly
as a mobile place of business.
It's wide enough to address two people
at the same time and it has a shelf
to keep the top clutter-free.

The Flux Coffee

Our Coffees are stylish low tables
that match the Flux Chair perfectly
(or any other chair for that matter).
They come in two sizes: big and small.

The Junior

The Flux Chair for kids.
It's an identical, mini version
of our original design.
Choose from six child-friendly colours.

Flux Wave

In cooperation with Philips we created the Wave: a pop-up display for Ambilight® televisions. Now in use on roadshows across Europe.

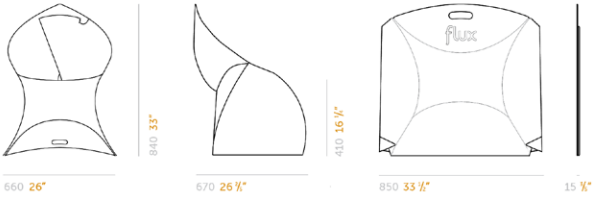

Specials

At Flux, we can also create custom foldable designs for your specific application. Starting with scale models, our Dutch designers Tom and Douwe can quickly develop full scale products at our production location in Białystok, Poland.
